For: A METHOD AND APPARATUS FOR  
ACHIEVING PROLONGED BATTERY LIFE  
Our Ref. No. 9913/9-1342

Dear Sirs,

We have represented John Fitter, one of the owners of the above referenced patent and its foreign and U.S. counterparts. The second owner was Robert Morris, who was a principal of your company, now deceased. I am writing to you because there are fees presently due for maintaining a number of the patents in this patent family. A listing is enclosed with the upcoming due dates.

We were recently advised by Mr. Fitter that he does not wish to pay the fees which are coming due. However, he would pay 50% if the representative of the estate of Mr. Morris would pay the other 50%.

We are writing to you in an effort to locate the appropriate person to whom this property passed as part of the estate of Mr. Morris or the executor of the estate with authority to act on his behalf. We note that no change in ownership was recorded at the U.S. Patent Office.

If the fees are not paid, these patents will lapse. Any assistance would be appreciated. If there is no interest in maintaining these patents, please let me know so that I may close my files on these matters.

If I do not hear from you, no action will be taken and these patents will be abandoned.

If you have any questions, please feel free to contact me.

Sincerely,

  
William J. Sapone

PROLONGED BATTERY LIFE

Dear Ms. Schink:

Thank you for your letter.

Please send me a copy of your authorization to act as executor of the estate for my records.

The costs are as follows:

Ref. No.	Patent	Cost	Due Date
9-1342 AU	Australian Renewal	Approx. \$800.00	3/19/2007
9-1342 DE	German Renewal	Approx. \$625.00	3/31/2007
9-1342 UK	UK Patent	Approx. \$1,800.00	3/19/2007
9-1342 UK-1	UK Divisional Patent	Approx. \$1,800.00	3/19/2007
9-1342	US Patent	Approx. \$700.00	4/21/2007

While we have passed the initial dates, there is a grace period within which the fees are payable with a surcharge, but these should be paid as soon as possible. The amounts are approximate because the actual cost will depend on the currency exchange rate at the time of payment.
